01	Nevada Regional Medical Center		HIGH-CONFIDENCE CANDIDATE
PROVIDER FIT	High-confidence candidate / 82 of 100		
URGENCY	Act now / 100 of 100 / Aug 19, 2026 deadline		
EVIDENCE	Strong source coverage / 100 of 100 / dossier ready 2 of 2 priority groups		
PRIMARY REASON	The public filing is inside the fictional provider's selected Vernon County footprint.		
PRIMARY GATE	Confirm each access, transport, and internet bandwidth-including symmetry and burstability-against engineering capacity. OPEN SOURCE		

Recommended huddle

Start with the highest-priority screened candidate. Assign engineering to serviceability, the bid lead to source and deadline verification, and commercial to term and pricing-format review.
